Ken,

See the attached inspection forms Jeff asked me to send you. Note that we did not inspect in November and December since the pond had been dredged.

I am still trying to track down the missing forms for the week of 8/30/2015, 9/6/2015 and 9/27/2015.

We are pulling together the S107 and S108 Industrial SWPPP Inspections Forms and will send this later this morning.
